WHY BOSCH
BULLDOG™

- ▶ The Game Changer!
- ▶ An SDS Plus 4-cutter for the price of a 2-cutter
- ▶ More holes for your bucks!
- ▶ Longer lifetime, more reliable and less downtime!

The 4-cutter prevents the drill bit getting stuck in rebar as at least one cutting edge attacks the rebar continuously

BULLDOG™

- ▶ A 1-piece cross made of tungsten carbide results in better performance in reinforced concrete than ordinary 2-cutters
- ▶ In-house production of carbide head – Means the best price/ performance ratio

BULLDOG IN MORE DETAIL

Centering tip for a deep and stable centering.

Unique 'turn-angle' head design in combination with large and short dust removal channels provide fast dust removal and highest drilling speed without any robustness lost.

4-cutter
The 4-cutter geometry prevents the drill bit of getting stuck in rebar. **The drill bit head does not break.**

4-flute design
Fast dust removal for higher drilling speed and less wear.
